## CONTINENTAL DIESEL Maintenance Seminar

### Factory Type Training Course

### CAT B1 / B2

### For TAE 125 Series Engines

**Background:**

According to the Operation and Maintenance Manual all inspections and repairs on CONTINENTAL DIESEL engines must be carried out by an organization which is authorized by Continental Aerospace Technologies GmbH. **The main purpose of this seminar is to familiarize and train inspectors, certifying staff and mechanics to perform regular maintenance and diagnoses on CONTINENTAL DIESEL engines. Additionally, you will gain special skills for efficient fault isolation procedures as well as quick and safe diagnoses.** This is required to become an authorized CONTINENTAL DIESEL maintenance organization according to the Service Bulletin "TM TAE 000-0003". Please see also <http://www.continentaldiesel.com/typo3/index.php?id=2>

We hereby register for the CONTINENTAL DIESEL Maintenance Seminar held at the facility of

**Continental Aerospace Technologies**  
**2039 South Broad Street**  
**36615 Mobile, Alabama**  
**USA**

Driving directions to Continental Motors, Inc: From Interstate 10, Take Exit 23, Michigan Avenue. Then turn South. First left, first right. See the guards.
